

Large Consignment... Pre-Check-in with an Excel File!

This can save you time and allow us to keep things moving quickly at check-in.

Simply email an **excel spreadsheet with the columns below** complete with all animals entry information **to midweststudramsale@gmail.com**.

Check-in can be as easy as just verifying and not having to wait while we enter all the info. If you don't have them ready prior, you can still bring a spreadsheet to the sale and we can use that to check-in instead of these planning sheets. **Thanks and see you in Sedalia!**

Your spreadsheet would need to include these columns:

Lot # (as assigned on planning sheet, any additional leave blank and we will assign)

Sub (if any substitutions to ones with cataloged class name or information)

Breed

Class

Animal Eartag

Registration #

Scrapie #

Codon (RR, NN, ect)

Birthdate

Birth Type

Sire

Dam

Any Comments you want to appear online
