Re: Health Paper Requirements and Consignor Information

The Midwest Sale is less than 3 weeks away and we look forward to seeing you in Sedalia.

This year's **Printed Catalog** is a breeders directory and lot number index of consignors, and a source of answers to many questions you might have about the sale. The individual animal entry information is **ONLY** available in the **Online Searchable Catalog** at midwestsale.com.

Please read **General Sale Rules** and **Special Breed Rules** which are posted at midwestsale.com. (Located under Entry Info tab, about 1/2 way down your screen.) We strongly suggest you print these along with the schedule to keep with your other paperwork. Pay particular attention to any breed rules concerning additional testing or consignor guarantee.

Health Papers -- *show this section to your vet*

All Entries are subject to random vet checks and must have scrapie tags! Standard interstate health papers are required for all consigned entries, Junior Show Sheep and Transit Sheep. Obtain health papers and any required tests 2 weeks to 18 days prior to start of Sale (that's now). This allows traveling time for the new owners after the sale.

Sale Location: Missouri State Fair Grounds, 2503 W 16th St. Sedalia, MO 65301

Language to be written on health paper: "I have examined these entries and this flock of origin and they are free of any apparent evidence of any infections or communicable diseases, including foot rot, epididymitis, sore mouth, caseous lymphadenitis, scabies and there has been no evidence of scrapie within the past 60 months."

Required Testing -- *show this section to your vet*

All yearling and Fall Rams (born before 01-01-2021) must have ELISA test for B.Ovis within 30 days of sale. Only rams with negative B.Ovis results will be allowed to sell. A positive result suggests epididymitis which can render rams sterile. For consignors with B.Ovis free flock, Vet must record "B.Ovis Free Flock" on health paper and give your Flock Certification Number.

Emergency health papers/lab results can be emailed to midweststudramsale@gmail.com or faxed to (888) 371-3363.

If your Vet does not use a regular test lab, here are alternatives:

Midwest Stud Ram Sale on Facebook

Consignor Check-in begins at 9am Monday, June 13th in the FFA Building and 7:30am on Tuesday & Wednesday. Again we will be streaming all the updated animal information and comments during the live broadcast of sales.

All entries should be on grounds and checked in at 3pm on the day prior to respective show. *Please contact us if you are canceling your entire consignment. We can utilize your pens if we are notified that you are not coming.*

Check the Schedule for paint crew times and weigh-in stations for WS/WD entries.

Registration Papers are required at check-in for all sheep except crossbred, natural colored and speckle-faced ws/wd entries.

Failure to turn in registration papers by close of sale incurs a \$20 fee per paper. Failure to send them to Heartland Livestock Services by July 1 incurs an additional \$50 fee per paper. Breed registrars can Express mail papers 6-14 to 6-19 to: Best Western, Attn: Midwest Sale, 3120 S Limit, Sedalia MO 65301. Transfer fees will be deducted on all registered sheep sold. Sale Management will transfer the registration papers to the new owners.

Codon Test Results (171, 136, spider, etc) can be included on the sale orders. Bring a copy of test results with your registration and health papers, or sign off on the results provided.

After your entries have been updated, you will receive a **Paint Brand card** and a **Show Ring card** for each entry.

Paint Branding can go fast with your cooperation in having blankets off sheep and your Paint Brand cards ready. We prefer that our crews number animals for consistency in brand placements, etc

Non-Wether Sire/Dam consignors: the Paint Crew will come to your pens. The Paint Brand card will be checked by the Paint Crew and turned into the office. You will take the Show Ring card to the show ring with your sheep.

Wether Sire/Dam Consignors only: Bring both cards to the Weigh Station as the weight will be recorded on both cards. The Show Ring card will be returned to you. All blankets must be removed before going through scale.

Pen Assignments will be on the website prior to the sale and posted in each barn. All pens will be tagged as well.

After the sale, please come to complete **Consignor Check-Out** in the FFA Building. Get a print-out of your buyers' names, confirm prices, purchases made, collect directs, or no-sale sheep. Please make sure you ask for any registration papers for sheep that did not sell. You can also pick up health papers for any animals you are hauling.

The Midwest Sale is the most competitive sale in America, so "polish" your entries and promote them! Call your former customers . . . invite them to the Sale, have them bid during the sale at dvauction.com or follow up-to-the minute coverage on the Midwest Stud Ram Sale Facebook Page.

Thanks for consigning and we look forward to seeing you there in a few short weeks.

Sincerely,
Heartland Livestock Services Partners
